DROP OFF/ PICK UP

- Please do not park in reserved/marked coach spaces in the grass area on the right side of the building.
- Please stay with your gymnast until class starts.
 We recommend coming in when class is a few minutes from starting to avoid lobby congestion.
- Shoes and other items can be left in the first lobby cubbies. Please do not bring anything valuable inside.
- We <u>highly encourage</u> and ask parents to come inside to pick up their gymnasts at the end of class or wait outside at the stairs. This will make pickup safer and quicker for you and the staff.

WHAT TO WEAR/BRING

- We recommend students wear a leotard with or without leggings/shorts OR tight fitting athletic attire. Students need to have their hair pulled back, secured, and out of their face.
- Please do not wear ballet skirts, loose clothing, jeans, dangling jewelry, or footed tights These can all be safety hazards and the Coach can limit their participation as they see accordingly.
- Students will go barefoot. Socks may be worn if preferred, but they can also limit participation. Tumbling students may wear cheer sneakers that are clean soled.
- We recommend bringing a water bottle, but there is also a water fountain.

UPDATES

- Our Website, Instagram, and Facebook page are always updated with important information like weather closings (we ONLY post if we DELAY or CLOSE), tuition changes, holiday closings, newsletters, etc. If you do not see any updates and have not received an email from us, you can safely assume we are operating as normal!!
- We send out a monthly email with important news about one week prior to the 25th to remind you of the tuition due date and the next month's news.

MISC.

- If paying by cash or check, please place payments in the gray dropbox beside the office. Payments can also safely be left in our locked mailbox outside any time of day.
- NRGA does NOT issue refunds!
- Spectators are allowed to observe class from the observation area. They are not allowed on the floor unless they are part of the Crawfish class or participating in toddler Open Gym.
- Parents/Guardians should not coach their student from the side or interrupt the students or coach during class.
- All students and spectators are expected to conduct themselves with appropriate behavior.
 Because there is potential for injury while participating in gymnastics, any misbehavior can quickly become a safety issue.
- Our full Rules and Policies document should be read before signing your membership form and is found on the main page of the website. Additional info includes, but is not limited to, missing class, our makeup policies, class ratios, contact info, future registration info, parking lot info, and much more.
