Email: _____ Membership Fee already paid in 2024? _____

How to complete the form:

1) SCHEDULE: Check out our full Summer class schedule on our website for available class days and weeks for your gymnast. Your gymnast must be the **exact age** of the class to participate. If your gymnast will move up in age groups over summer, they must register at the lower age group up until the week of their birthday. Unavailable weeks can be found under the class day/time.

2) FORM: In the blank space beside the weeks you want to attend, write the class(es) **DAY, TIME, AND NAME** you are registering for (EX: TUESDAY 3:00 TUMBLING). You can attend an unlimited number of classes each week, interchangeably attend classes for your age group, and skip weeks. We will allow drop-in classes on a first come, first serve basis in open classes. Email us at least 2 hours prior to the class to make sure space is available if you want to drop in.

3) REGISTRATION: Turn this form in along with the pro-rated annual \$30 membership fee (if due), your first or full payment, and membership form (if due). All week 1-5 classes (session 1) are due at the time of registration. Please note that your gymnast's spot will not be held until payment is received even if we have their form. Week 7-10 classes (session 2) are due by June 25th. If Session 2 payment is not received by the due date, a \$5 DAILY late fee will be added to the account. After 2 days late, we will automatically remove the student from the role. We are happy to work with you on a custom payment plan or on switching classes if notified prior to an absence. Makeup options will not be provided if we are not notified prior to the absence.

4) PAYMENTS: Each class you pre-register for is \$20 and can be paid by Venmo (@nrgaboone), cash, or check. There is a \$1 per class discount for cash or check payments for pre-registered classes. Venmo is the only payment option for drop-in classes and must be paid upon confirmation of class space to attend. Classes are buy 6, get the 7th FREE for both pre-registered classes and drop-in classes! Students who register for at least 6 (7th free!) Summer classes will be eligible for early Fall registration!
